

Home Maintenance

SPRING CHECKLIST

Spring is in the air and we know you're going to be a busy busy bee. So, use this to-do this to stay ahead of things like home maintenance and scheduling.

- schedule AC tune-up for warmer weather ahead
- Call Capital for free air duct cleaning estimate
- Ask Capital to inspect air ducts for leaks
- Adjust programmable thermostat to welcome warmer weather
- Ask technician check humidity during AC maintenance visit
- Ask Capital about free indoor air quality testing
- Check sump pump for thaw and rain ahead
- Ask Capital how I can pay less money for their services
